

Ferry Wozniak after another
 famous horse-kickthrough was
 pulled out of the water. Now he says
 he's back to work. But he says he's
 still not the same. He's still not
 the same. He's still not the same.

Wozniak says he's back to work
 but he's still not the same. He's still
 not the same. He's still not the same.
 He's still not the same. He's still not
 the same. He's still not the same.

Wozniak says he's back to work
 but he's still not the same. He's still
 not the same. He's still not the same.

Wozniak says he's back to work
 but he's still not the same. He's still
 not the same. He's still not the same.

Wozniak says he's back to work
 but he's still not the same. He's still
 not the same. He's still not the same.

Wozniak says he's back to work
 but he's still not the same. He's still
 not the same. He's still not the same.

Wozniak says he's back to work
 but he's still not the same. He's still
 not the same. He's still not the same.

Wozniak's job

Wozniak says he's back to work
 but he's still not the same. He's still
 not the same. He's still not the same.

Wozniak says he's back to work
 but he's still not the same. He's still
 not the same. He's still not the same.

Wozniak says he's back to work but he's still not the same. He's still not the same. He's still not the same.
